(Featured in Squadron/Signal book 6091, page 32.)

This unique day/night paint scheme was applied to F-16A-5 J-236 to commemorate the 85th anniversary of the Royal Netherlands Air Force in 1998. The port side was painted in a night scheme with gold stars on a black background. The starboard side was painted in a day scheme of white clouds on a blue sky background.

Special paint color notes:

The top of the tailfin is decorated with the white and blue stripes and red water lily leaves from the provincial flag of Friesland, the capital of which is Leeuwarden.
