Pt. II

Suggested Kit: Monogram Pro Modeler

HE-111H-6, A1+BA, Stab./KGr 53, Luftflotte 2, Lille, Franc, 1940. Paint scheme is RLM 71 Dark Green and RLM 70 Black Green over RLM 65 Light Blue. Propeller spinners and tip of tail fin are Green to match color of surround on last aircraft letter.

HE-111H-6, S7+HA, StG 3, Derna, Libya, 1941. Paint scheme is RLM 79 Sand Yellow over RLM 78 Light Blue. Propeller spinners are Blue to match color of aircraft letter. White fuselage stripe is 0.7 meter wide. Outer tips of bottom wings painted White. Note: apply unit emblems at angle shown.

HE-111H-4 of 8/ KG 54 (Totenkopf) in Russia during the Summer of 1943. Upper surfaces finished in splinter pattern of RLM 70 Schwarzgrün and RLM 71 Dunkelgrün. Under surfaces RLM 65 Hellblau. Former unit codes painted over in gray paint, presumably RLM 75. Top of White formation marking partially covered in same gray color. Yellow lower wing tips. KG54 badge on both sides of the fuelage. Black spinners with Red tips. Codes on the right side read B3+B. Note clamshell cover on upper gun position.
