

# Sd.Kfz.10 (leichter Zugkraftwagen) with Pak.38

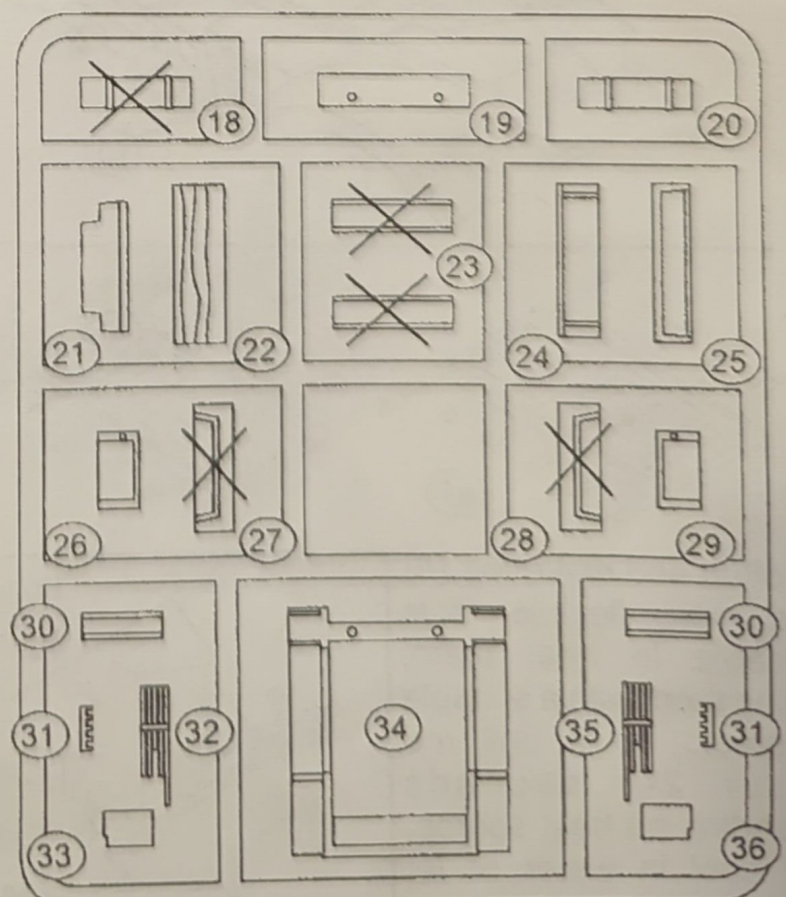

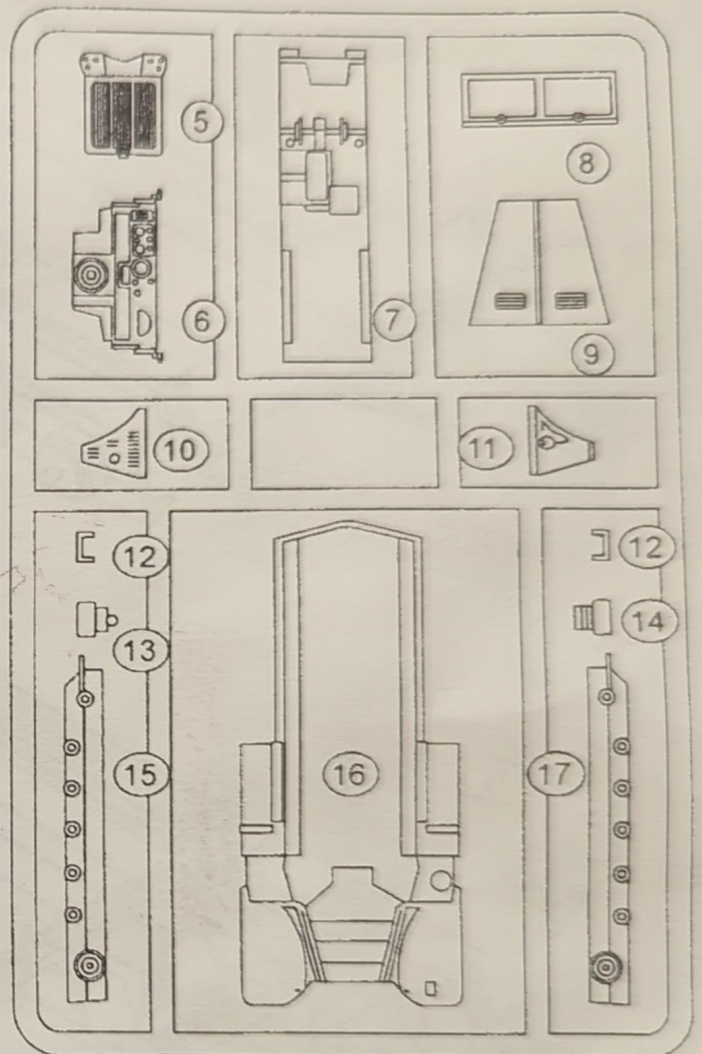

1/72 scale  
Plastic model kit.  
cat. #72243

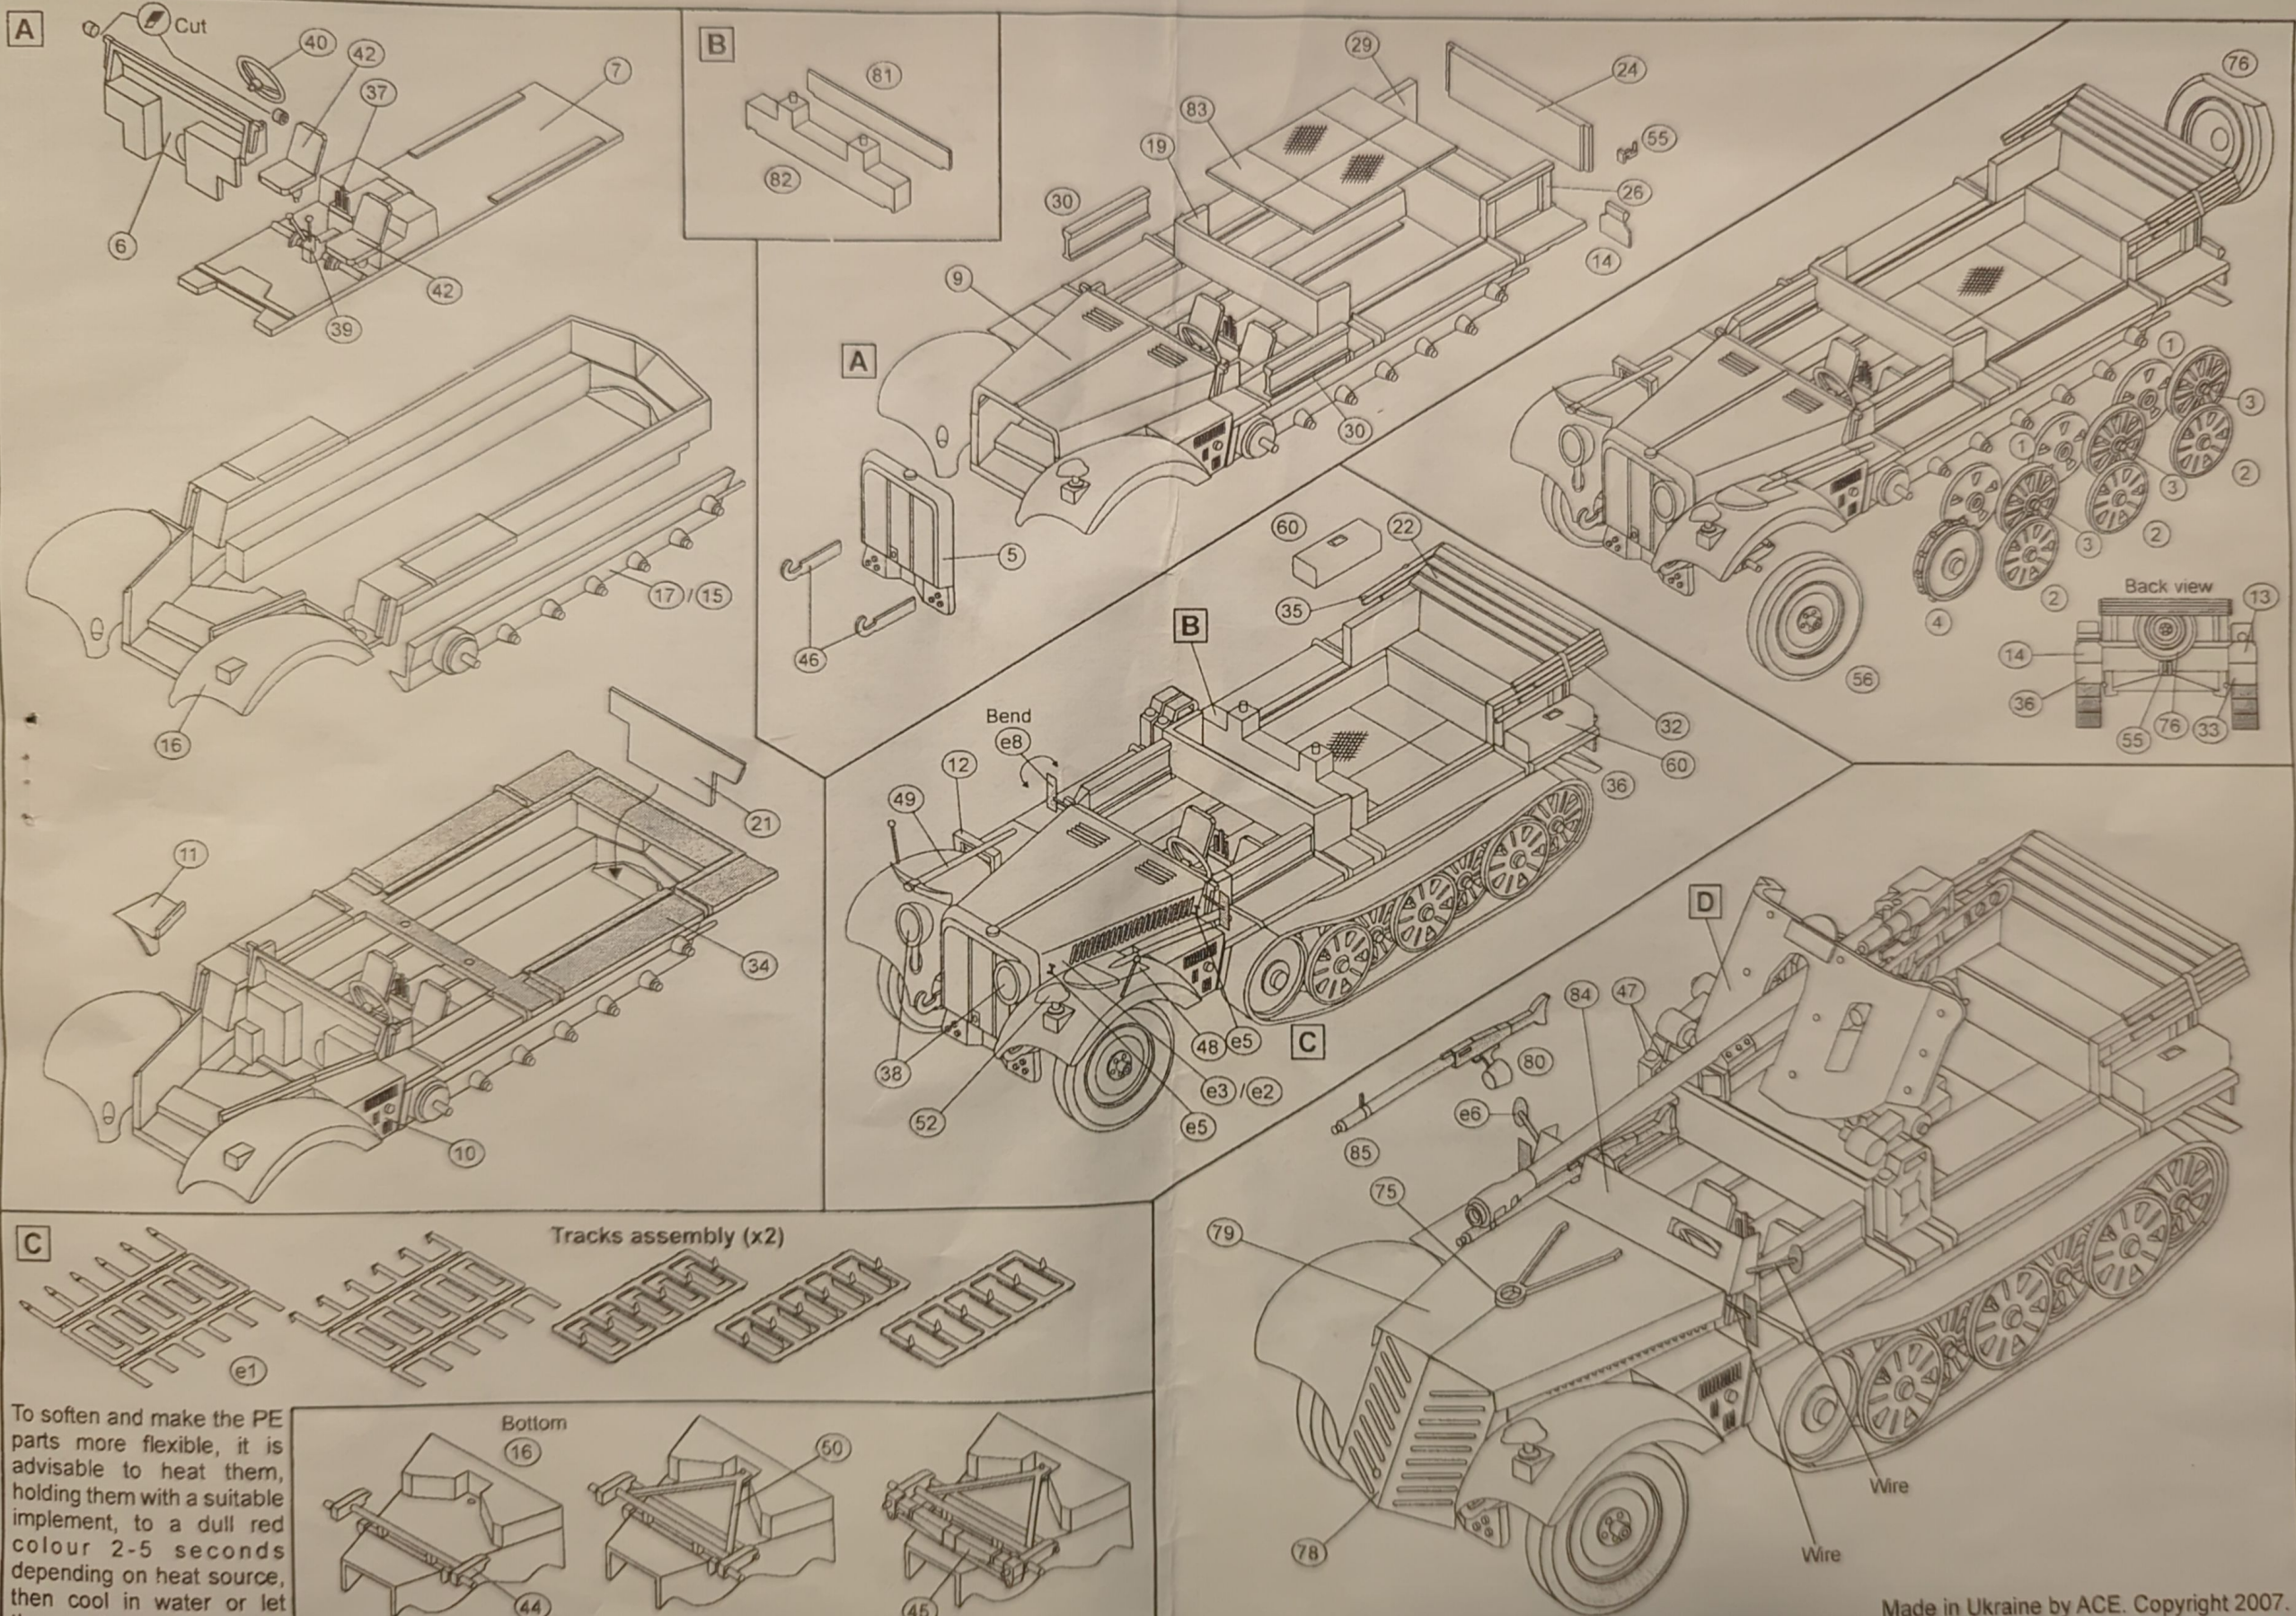

## Parts

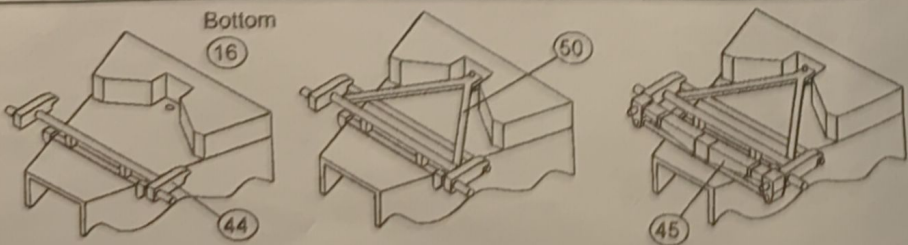

Etched parts NOT shown.

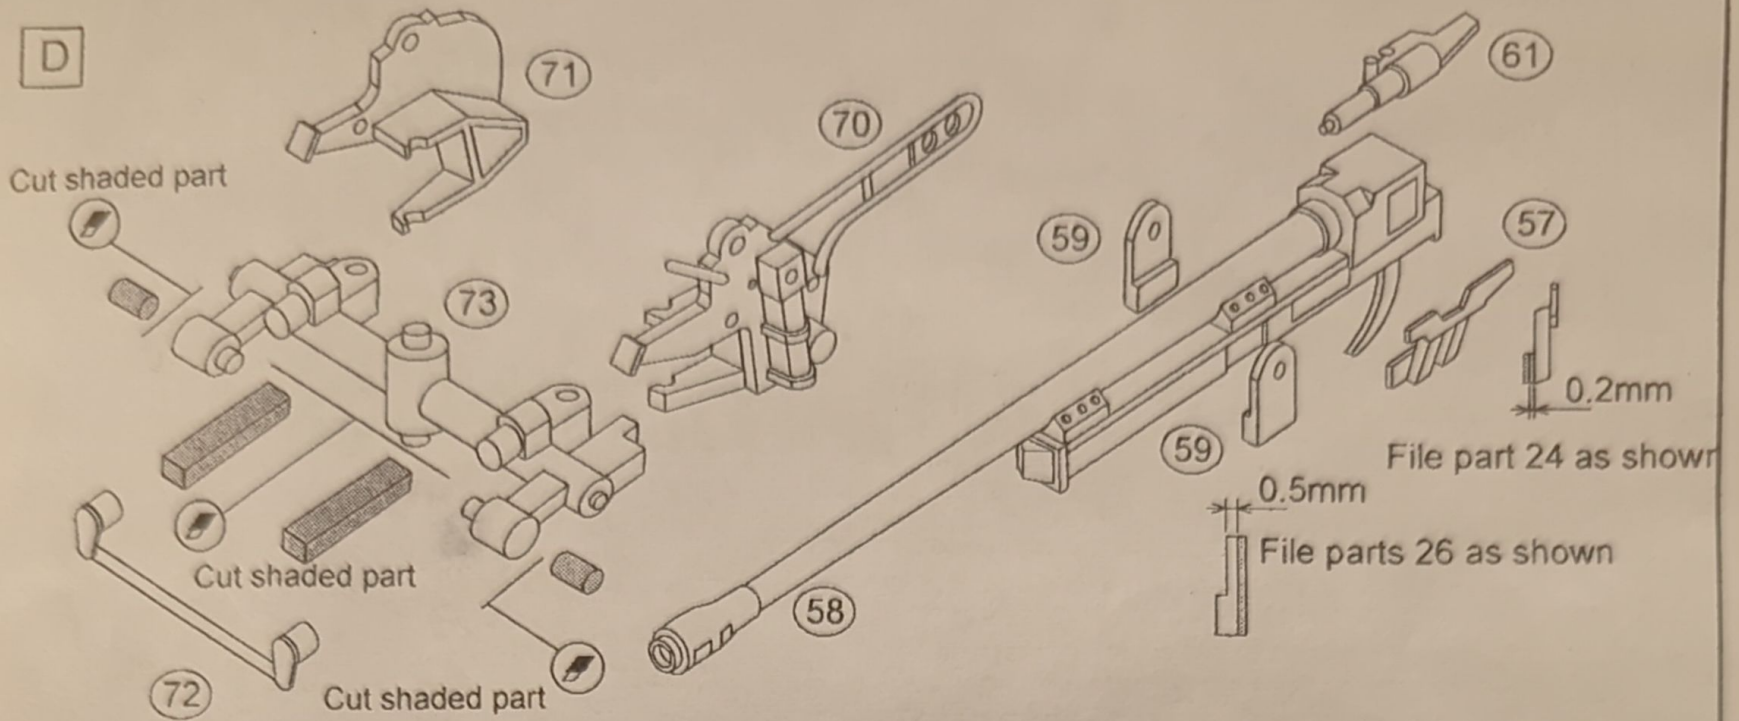

To soften and make the PE parts more flexible, it is advisable to heat them, holding them with a suitable implement, to a dull red colour 2-5 seconds depending on heat source, then cool in water or let them cool naturally.
